

Date: - 22.1.2022

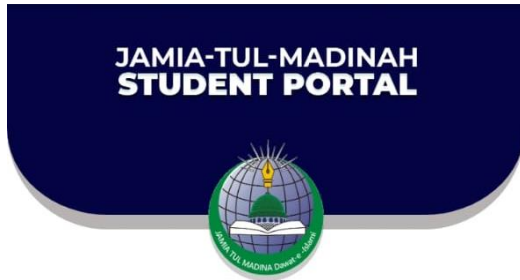

Day: Saturday

Project Name: Mobile App of Jamiatul Madina (CMS)

Changing # 1:

change the Name of “[JamiaTul Madina Student Portal](#) “instead of [Jamiatul Madina Mobile Global App](#) in the Top of Dashboard heading. And this “[JamiaTul Madina Student Portal](#) “name only showing on the top of Student portal.

Changing # 2: - Admission form

Adjustment of the content in English and Urdu both Male and Female (english content left side pr adjust ho jay means align left ho jay points sahi sy show ho jay)

Urdu ki numbering right side pr ajay aur content adjustable ho jay.

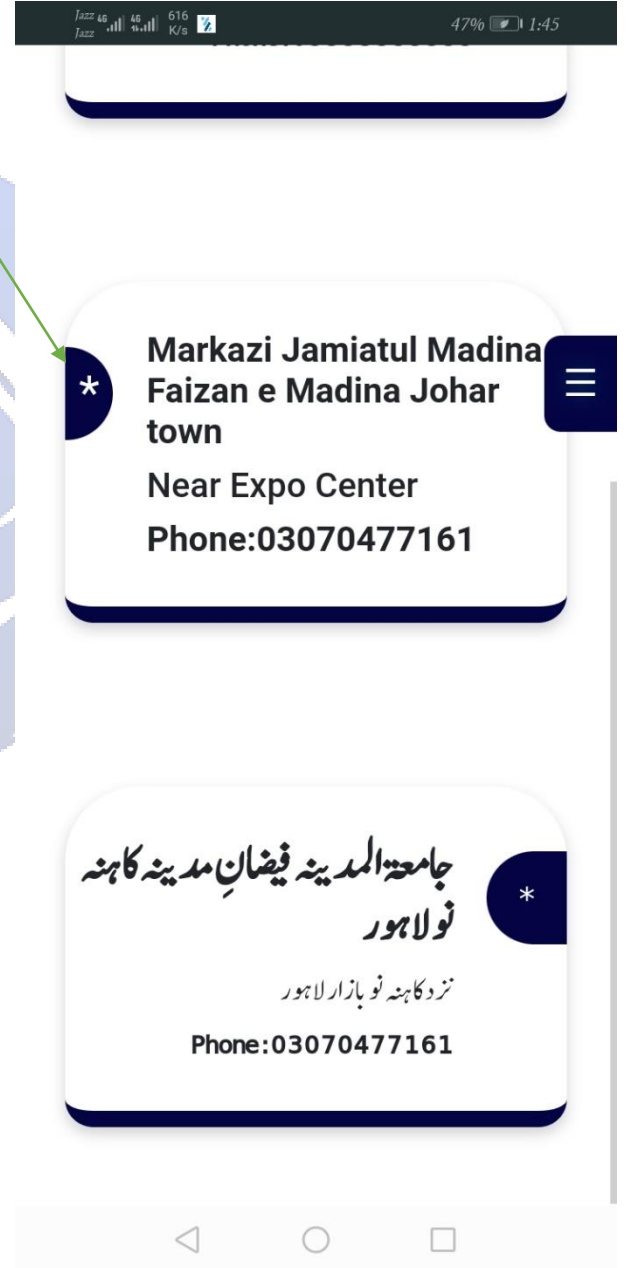

After click on Agree button on *Secular Education* all academic filed view in English

Also record are save even we back the menu

(record save rahy jo admission form filed my put kia howa aur reset field ka button lag jay jab reset krain tab hi fields blank hon)

Changing # 3: - Branches

Branches my branches code dalny ka option ho taky ham software k andr jo Jamiat k code hain wo dal sky ya phir sequence wise numbering show ho.
Aur location longitude and latitude show nahi ho raha hy mobile app pr
Aur English and Urdu dono my branches show hon means "English" Select krain tou English and urdu select karain tou urdu my Branches show hon
Admin panel my branches delete krny ka option b majood ho.
Heading my total numbers of Jamitul Madina Bolt text my show ho jay

Changing # 4: - Syllabus

Syllabus Male and Female dono show hon "Select Gender" my Male or Female select krny pr hi syllabus show hon.

No	Short Description	Description	Download
1	Dars e Nazami 8TH Year	Hellow Test	
3	Short Description	Description	
5	8th year	8th year Dars e Nazami	
7	8 Years Dars e Nizami	1 Year	

Web my Serial Number thek nahi arahy hain

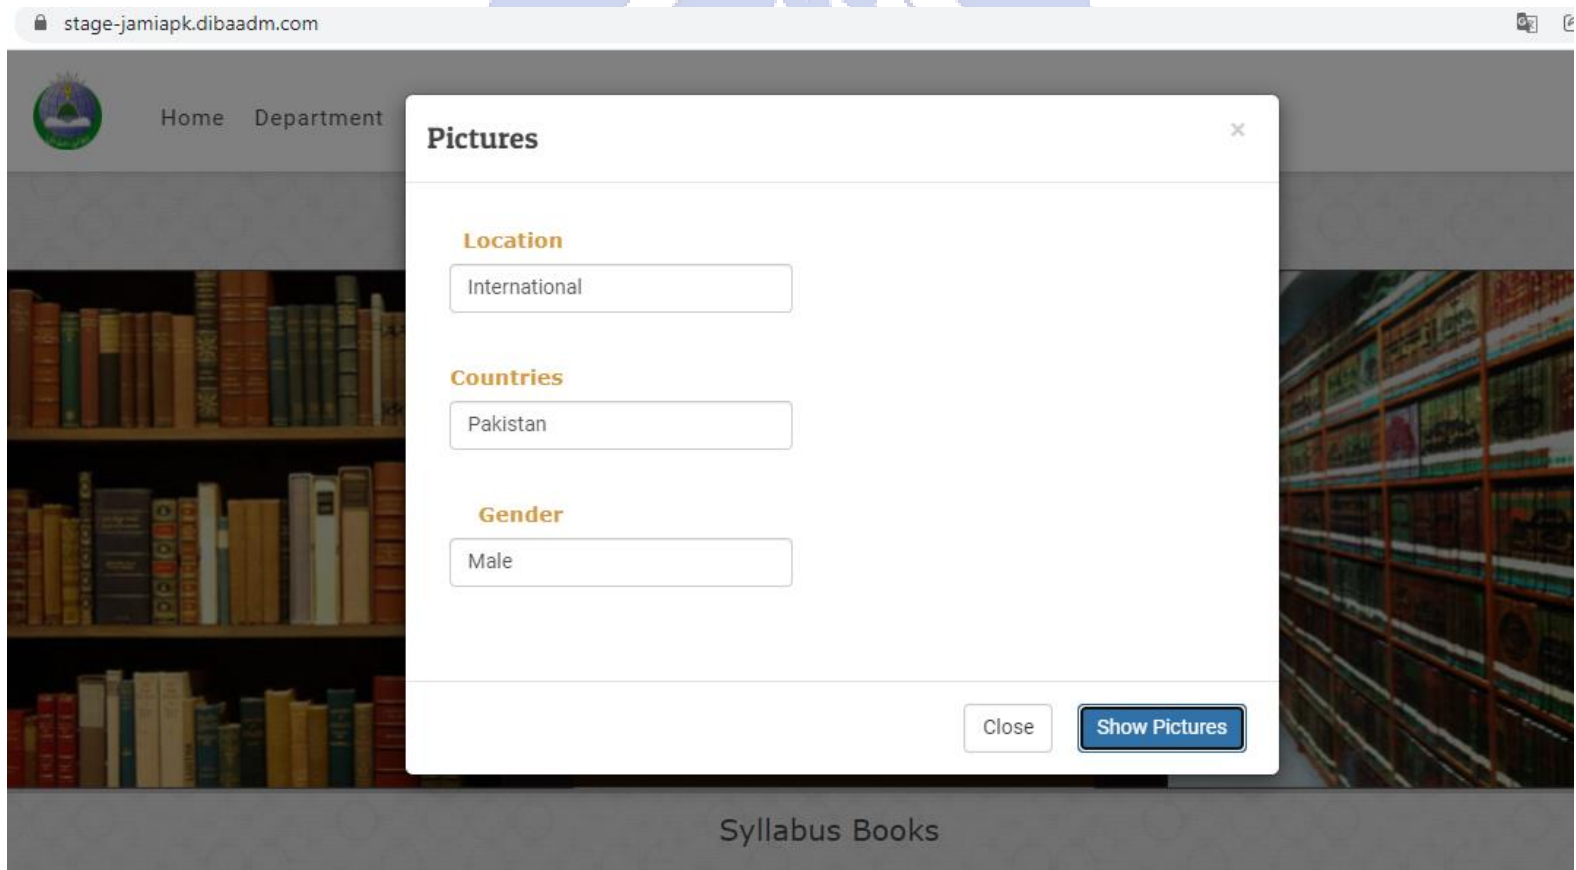

Changing # 5: - Gallery

Gallery my **Audio Gallery** aur **Photos Gallery** k name k 2 Main Menus rakh diye jay audio my audio message aur Photos gallery my photos jaisy already show ho rahy hy wasy hi show ho aur dono Country wise he show hon with Male and Female category.

Mobile App my Categories Gallery Photos show nahi ho rahy aur Female Pictures show nahi ho rahi hain.

Web App pr International pictures dekhny k leye Countries show nahi ho rahi hain just Pakistan show ho raha hy

Mobile App aur Web pr Audio message b list down category wise show ho jay

Aur Gallery my "Add Category" k andar numeric digit b add ho sky
